RESPONSE TO NOTICE OF INCOMPLETE NONPROVISIONAL APPLICATION

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the "Notice of Incomplete Nonprovisional Application", mailed July 9, 2001, submitted herewith is the Submission of Drawings together with 2 sheets of drawings. Also, attached is a copy of the Notice of Incomplete Nonprovisional Application.

In the "Notice of Incomplete Nonprovisional Application" it is stated that a newly executed oath or declaration must be submitted. However, as acknowledged by the filing receipt accompanying the application, the original declaration was filed with the application. This original declaration covers the two pages of drawings submitted herewith. Therefore, a **newly executed** oath or declaration is not necessary.

In order to demonstrate the manner in which the original declaration covers the two drawings, attached hereto are (1) a copy of the official filing receipt from Serial No. 07/297,333, filed January 17, 1989, and (2) a copy of each of the two drawings from the PTO file of this

Serial No. 07/297,333. The attached official filing receipt acknowledges that two sheets of drawings were filed. The two attached drawings are identical to those originally submitted, except that they have been stamped with Serial No. 07/297,333.

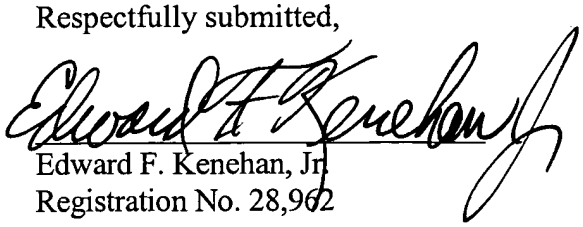

The copy of the previously submitted original declaration specifically refers to Serial No. 297,333, filed January 17, 1989. Therefore, it is clear that this original declaration, already of record, covers the drawings which were filed with Serial No. 07/297,333 and herewith.

By submission of drawings herewith, applicants do not concede that such drawings are necessary under 35 USC §113. However, in order to obviate this section, applicants do not contest that the filing date of the present Application Number 09/865,190 should be designated as the date of receipt of the two drawings submitted herewith.

The undersigned submits that the requirements under 35 U.S.C. § 113 have been met and respectfully requests that a filing date be issued.

Consideration of the attached is respectfully requested.

Respectfully submitted,

Edward F. Kenehan, Jr.
